### A Day at Parkland

I went to Parkland during summer holiday. I went with my family.

I can see a see-saw, a roller coaster, a sandpit, swings and a cable car.

The see-saw is opposite the swings. The sandpit is next to the roller coaster. The cable car is between the swings and the sandpit.

I played on the swing and the see-saw. I rode on the cable car and the roller coaster. I could not climb on the trees or walk on the grass.

I left Parkland at 6 o'clock. I feel happy.
