My Classmates

I have some good classmates in my class.

Caroline is my classmate. She is nine years old. She is shorter than Dorothy. She is lighter than Jacqueline. She and Jacqueline are of different heights and weights. She is also the lightest and shortest in our class.

Caroline is lazy but kind. She likes sleeping. And she is kind to everyone. Jacqueline is smart and tidy. She always gets high marks in the test and dictation. Her school uniform is always clean and tidy. Dorothy is happy. She always puts a smile on her face. She is smart, too.

We are good friends.
