

4C Mary Ma

Myself

I am Mary. There are four members in my family. My father is an engineer. He's tall and strong. He's fifty-eight years old. He likes watching TV. My mother is a housewife. She likes cooking. She is heavy and weak. She is forty-two years old. My father and mother have different jobs. They also have different hobbies. My mother likes singing songs and my father likes sleeping.

I have a brother. He is eleven years old. My brother is taller than me. He is heavier than me, too. My brother and I have different hobbies. My brother likes playing with his cell phone. I like running. My brother and I like sweet food. We also have a sweet tooth.

I have a happy family. I love my family very much.
