Getting Sick After Overnight Stay

Tim went to his cousin, Arthur's home. They stayed overnight to play video games. They played whole night and didn't sleep because the next day is Sunday. They felt happy but tired.

On Sunday, Tim had a temperature, a sore throat and a cough. He got an influenza. He got 39°C. He felt tired, so he took a rest all day.

Tim had a sick leave for 3 days. He went to school on Thursday. He joined the rehearsal of the school drama. His cough and sore throat got worse. He lost his voice. His teacher, Mr. Lam, was very worried, so he called Tim's mum to take Tim to the hospital.

The doctor said, 'Tim got a bad influenza. He needs to take more rest. He should speak less. He couldn't go to school for two weeks.' Mr. Lam said, 'Tim, you don't need to do the drama because you are sick. I'll find another student for drama.' Tim felt very sad.
