The Naughty Boys Paid

There were two naughty boys in our school, John and Peter.

One day, John and Peter wanted to play tricks on their classmates, Kimmy. They filled water in the plastic bags in the toilet.

Then, the two boys went to the balcony. They saw Kimmy in the playground. They called Kimmy's name loudly and threw the water bags to Kimmy. Kimmy and her friends were scared. So they ran to Ms Lam. She ran quickly to MS Lam and told MS Lam the story of the two boys.

Ms Lam found the two boys and punished them because they did a very bad thing. The two boys felt sorry.
