A Robbery Report

There was a robbery in Causeway Bay on 9th March.

According to the news, the CCTV footage showed that at 9:00 p.m., there were three robbers who went inside the store.

The first suspect was a man with a scar on his face. He had a rope and a gun. The second suspect had red hair. He was with a knife. The third suspect had blue hair. He was holding a gun.

Three men went into the store and told the costumers to get out or they would be dead, so they all went out. One of the men took out a pistol and pointed at the staff. He told the staff to take out all the money and a Chinese statue that cost two million dollars. They took them and shot the staff.

After that, the robbers went to the top floor and took out a rope. They threw it to the other side of the building and escaped, but there were guard dogs on the rooftop and also down the building. It was terrifying, but still they all escaped.

After three days of searching, they found a pistol with

fingerprints. They investigated and finally found the robbers in a hotel nearby.
